

VOLCANO SCOUTING

HORNADAY ADVENTURE CAMP INFORMATION PACKET

CELEBRATING FIVE YEARS OF VOLCANO SCOUTING!

2020 HORNADAY ADVENTURE CAMP

Friday, August 7 – Sunday, August 9, 2020, at the Mount St. Helens Science and Learning Center

Volcano Scouting's second annual Hornaday Adventure Camp will occur at the Mount St. Helens Science and Learning Center on August 7-9, 2020. This Summer event will offer a variety of classroom and outdoor learning activities, including presentations from outdoor professionals, service projects, science experiments, field studies, nature walks, and more, that replicate the requirements to become a Forest Ranger. Participants will also have the opportunity to engage in campfire programs, star gazing, board games, movie presentations, a polar bear swim, and chapel service.

(971) 264-4309

Program Director:

Joel Libby joelibby17@gmail.com
(503) 484-6435

You can reach the Science and Learning Center in an emergency by calling **(360) 274-2131**

PROGRAM REQUIREMENTS

Prior to registering, all participants must meet the following requirements:

Be a registered member of Scouts, BSA; a Venturer or an Adult Scouter.

Complete a MSHI Volunteer Waiver, and carry valid BSA Part A and B Medical Forms

Register and pay online before July 3, 2019 at www.volcanoscouting.org/hornaday

Program materials, lodging, food, t-shirt, and a program patch are included in this fee.

*Transaction and processing fees apply.

ABOUT THE VENUE

All overnight programs are hosted at the Mount St. Helens Science and Learning Center; a 12,000-square foot retired visitor center now used for educational programs and conferences.

19000 Spirit Lake Hwy, Milepost 43.3,
State Route 504, Toutle, WA 98649

Tent camping is provided in the nearby primitive campground.

Food services, bathrooms, and program areas are located in the main building.

Fireworks, open flame/fires, weapons, alcohol, drugs, and the removal of natural features is prohibited.

There are no permanent clothes washing or shower facilities available at the Science and Learning Center. We apologize for this inconvenience.

CHECK-IN

Participant check-in will begin at 12:00 PM on Friday, August 7, 2020, at the Science and Learning Center. Upon arrival, please follow signage and staff instructions to park your vehicle. A group leader should then turn-in all paperwork to the main office (located inside the Dining Hall of the Science and Learning Center). A Volcano Scouting staff member will then escort the group to set-up their tents in the primitive campsite.

CAMP SERVICES

All lodging amenities, like food service and bathrooms, are located in the Science and Learning Center.

The Camp Office, First Aid, and Trading Post are located in the Dining Hall.

Bathrooms and potable water are located in the main lobby.

The Dining Hall, Kitchen, and Staff Housing are located in the east wing.

The Theater, Indoor Activity Area, and Pearly Room are located in the west wing.

There is no cell phone service or internet at the Science and Learning Center. Adult leaders may use the on-site landline phone in emergency situations only.

You can find detailed program maps at www.volcanoscouting.org/hornaday

FOOD SERVICES

All meals will be prepared and served by Volcano Scouting staff members in the dining hall.

Prior to each meal, participants should wash their hands in the main bathrooms.

Main dishes will be served by Volcano Scouting staff cafeteria style.

Salad, cereal, and refreshments are self-served on a separate table in the dining hall.

Food scraps go in the trash and dirty dishes go into tubs on the serving counter.

Participants with dietary needs listed in their registration can find their specially prepared dishes inside the kitchen door. If you have any questions or special requests, please contact us at volcanoscouting@gmail.com

You can find an example program menu at www.volcanoscouting.org/hornaday

PROGRAM AREAS

Most program activities will take place in walking distance of the Science and Learning Center, although some activities take place at nearby recreational sites. The Hornaday Adventure Camp will include program activities that require personal transportation to the Coldwater Lake Recreational Area, Johnston Ridge Observatory and South Coldwater Trailhead. Adult leaders should expect to transport their groups' scouts to these program areas.

Education and leadership programs will occur in the Science and Learning Center.

Swimming and water ecology activities will occur at Coldwater Lake.

Hiking and forest ecology activities will occur at the South Coldwater Trailhead.

Service projects and nature observations will occur on local trails.

All program activities are subject to change. In case of an emergency, participants should meet at the designated meeting place.

HEALTH AND SAFETY

Volcano Scouting strives to ensure the health and safety of all participants and guests. Please follow these simple pointers to have a safe and meaningful experience at Mount St. Helens!

In case of an emergency, meet at the designated meeting spot. Call 911.

Wash hands frequently. Do not touch plants or animals without guidance.

Follow all staff instructions immediately. Ask questions if you are confused.

Be sure to abide by the rules and regulations outlined on the next page.

RULES AND REGULATIONS

Scouts and adult leaders are expected to follow Volcano Scouting's "5 Rules to Success"

1. **Be Respectful** – Be kind to staff, visitors, other participants, our facilities, and the environment.
2. **Be Responsible** – Show up properly dress, on-time, and prepared for every activity.
3. **Be Active** – Participate in all organized activities and encourage scout spirit.
4. **Be Safe** – Follow all Forest Service, Mount St. Helens Institute, and BSA® Rules
5. **Follow the Scout Oath, Law, & Outdoor Code** – Demonstrate scout spirit in everything you do!

Roughhousing, bullying, and the possession/use of drugs or alcohol is strictly prohibited and will result in immediate eviction from our event. Electronic devices, such as cell phones and MP3 players, are also prohibited while in organized programs. You may use electronic devices to take pictures or videos of program activities, but they must be put away when not in use.

SUGGESTED PACKING LIST

Scouts and adult leaders need to have the following supplies to make the weekend enjoyable and safe. Participants will be sleeping in the SLC Primitive Campsite.
